

**COMPLETE LISTING OF THE CLAIMS**

- 1-26 (Canceled).
27. (Previously Presented) A peptide consisting of the sequence Lys-Pro-Ser-Ser-Pro-Pro-Glu-Glu (SEQ ID NO: 2).
28. (Previously Presented) The peptide of claim 27, wherein said peptide is labeled.
29. (Previously Presented) The peptide of claim 28, wherein said label is selected from a radioactive, fluorogenic, chromogenic, or other chemical label.
30. (Previously Presented) The peptide of claim 27, wherein said peptide is conjugated to a therapeutic agent.
31. (Previously Presented) The peptide of claim 27, wherein said peptide is acetylated at the amino terminus and amidated at the carboxy terminus.
32. (Previously Presented) A pharmaceutical composition, comprising the peptide of claim 27.
